### Profile

I decided to work in challenging environment, so I started to work in many fields to gain experience that qualifies me for the labor market. And somehow help me to advance in my field of study and my work career \*Accounting\*,

I am self-motivated, ambitious and eager to learn. Responsible individual with strong communication skills and work ethics besides being creative, focused and highly determined.

I am willing to take responsibility and work independently, at the same time I can work well in teams. Looking for both personal and professional growth makes me capable of working confidently under pressure.
